Subject: Citation Guide

Hello Ms Holland,

The LAPD Citation Guide is for Department use only, so I can not provide that to you.

When officers issue a citation, they utilize the Citation Guide which has pre-determined court dates depending on the date the citation was issued. The place of appearance is determined by the location of the violation.

Hope this helps,

Patricia A. Sandoval, Captain
Commanding Officer
Media Relations Division
(213) 486-5910
